RON ESCLAVO

**RON ESCLAVO XO CASK
BOX WHISKY FINISH**

Ron Esclavo XO CASK – Box Whisky Finish was created exclusively for Sweden and released in October 2020. The Dominican rum was initially aged in a Solera system for up to 23 years in American ex-Bourbon casks, before a 12 months second maturation in 4 x 30L. Swedish Oak Casks from Box Whisky. The 4 Box Whisky casks, 2019-320, 2019-321, 2019-322 & 2019-323, all previously contained a peated Box Whisky expressions, which combined with the spices from the Swedish oak, has added an incredible layer of complexity and smokeyness to the rum. In total the 4 casks only yielded 338 bottles!

Despite its 64,2%, this is a sweet rum, rich and smooth with notes of vanilla, caramel, cinnamon and prunes, but with a wonderful and powerful twist of spices from the Swedish oak and of course, an unmistakable addition of peaty whisky notes.
